colora cut

COLORA CUT integra in forme organiche varianti bianche e varianti di colore glossy.

Miscela gli elementi decorativi alla tua parete white per decorare in maniera più o meno intensa la superficie.

COLORA CUT integrates in organic forms both white variations and glossy colour variations.

Mix the decorative elements with your white wall tiles in order to decorate the surface in a more or less intense way.

 gres porcellanato a tutta massa <i>full body stoneware</i>	 spessore <i>thickness</i>	 aspetto uniforme <i>uniform appearance</i>	 finitura superficie matt <i>mat finish</i>				
 gres porcellanato smaltato <i>glazed stoneware</i>	 coefficiente d'attrito <i>coefficient of friction</i>	 lieve variazione <i>light variation</i>	 finitura superficie semi-lucida <i>semi-glossy finish</i>				
 rivestimento in pasta bianca <i>white body wall tiles</i>	 resistenza al gelo <i>frost resistance</i>	 moderata variazione <i>moderate variation</i>	 finitura superficie lucida <i>glossy finish</i>				
 rivestimento in bicottura <i>double-fired wall tiles</i>		 forte stonalizzazione <i>substantial variation</i>	 bordo bisellato <i>bevelled border</i>				

Con la stampa di questo catalogo abbiamo cercato di avvicinare il più possibile alla realtà cromatica dei prodotti; i campioni stampati hanno tuttavia valore puramente indicativo.

When printing this catalogue, every effort has been made to reproduce the real colors of the products; however, printed samples are guideline only.
